To make Internet or phone purchases: Simply quote your 16 digits card number and expiry date (from the front of your card), and advise that the card type is Visa. As an additional security measure many organizations require you to insert the Card Validation Value (CVV2). CVV2 is presented on the back of your card as a separate group of 3 digits to the right of the signature strip.

13. Is my VISA Debit Card accepted overseas?

Yes. With Visa Debit you can access your own money wherever Visa is accepted. There are more than 29million outlets around the world. You can make a purchase at merchants with a VISA logo and withdrawals from Visa ATMs whilst overseas. Fees and charges apply. Refer to TDB Fees and Charges available on the TDB web site or visit any TDB branches or contact our Customer Service Centre.

14. What are the transaction and daily limits for my VISA Debit Card?

To check the transaction limits on your card please contact our Customer Service Centre customerservice@tdb.to or Call 00676 23 333.

15. What are the authorisations for transactions on my Visa Debit Card when I make a purchase at a merchant?

A merchant may obtain an authorisation for a transaction before the transaction is made. It is done to establish that there are sufficient funds available in the account for the transaction and that the card is a valid. This often occurs with hotel bookings or car rental services. Such an authorisation will reduce the amount of available funds in the account to assure funds for the transaction. In cases when the transaction is not completed, the amount still can be put on hold to the account up to 7 days, after the authorization is obtained.

16. Where can I see all transactions on my VISA Debit Card?

All transactions made with your card are presented on your personal account statement. They are also available in your TDB Internet banking in the personal account history, or if you are within Tonga you can visit your nearest branch to obtain your account statement.

17. What if there is an error in my statement?

If you notice any error in your account statement connected with your VISA Debit Card transaction please report the matter immediately to your nearest TDB branch or to our Customer Service Centre customerservice@tdb.to or Call 00676 23 333. In order to check statement entries, retain all your sales slips and printed receipts. This will help you keep a record of all your transactions.

18. What if I don't have any money on my account when using my Visa Debit Card?

If there are insufficient funds available in your personal account your Visa Debit Card transactions may be declined.

19. How can I dispute a transaction on my Visa Debit Card?

To dispute a transaction on your Visa Debit Card you need to urgently complete a Transaction Dispute Form and return it to a TDB branch. It is important that you dispute your transaction as soon as you are aware of it occurring. Visa will not investigate any disputed transaction which is more than 120 days from the transaction date.
